About The Cover — The cover of *Hilltopper Football '93* is a nostalgic look at football on the Hill in decades past as the '93 edition Hilltoppers celebrate the 75th season of the sport at Western Kentucky. Dedication

"Eck" Branham
(Class of '38)

"Eck" talks to the
Hilltoppers prior to a
Western home game

1993 *Hilltopper Football* is dedicated to "Eck" Branham, one of Western Kentucky University's, and Hilltopper athletics', biggest supporters over the past six decades.

Branham first came to the Hill (from Prestonsburg, Ky.) as a freshman football player 60 years ago in the fall of 1933.

He earned three varsity letters (1934, '35 and '36) as a quarterback for Coach Carl "Swede" Anderson's Hilltoppers, helping those teams go a collective 18-8-1 (69%) -- 5-2-1 in 1934, 7-3-0 in '35, and 6-3-0 in '36.

Following his playing days at Western, Branham embarked on a career in the high school coaching ranks and developed a repu-

tation as one of the Commonwealth's outstanding teachers and coaches. He concluded his career at Warren Central High in Bowling Green and is now retired on his farm just a few short miles west of Smith Stadium.

He remains the embodiment of the Western motto, "The Spirit Makes the Master," and he has been a constant source of strength and encouragement to Hilltopper football -- athletes, coaches and fans -- in the good times, and in the lean years.

Around the WKU football camp, terms like "class," "dedication," "hard work," "sacrifice," "loyalty," and "teamwork" come alive in the person of "Eck" Branham.

Red Towel Territory Home of the Hilltoppers Western Kentucky University!

Located in picturesque Bowling Green, Western Kentucky University boasts of one of the most beautiful campuses in the nation, with 200 acres of the main campus sprawling over Southcentral Kentucky.

Dr. Meredith received his bachelor's degree from Kentucky Wesleyan College in 1963, a master's from WKU in 1966 and the doctorate in educational administration from the University of Mississippi in 1971. He received an honorary Doctor of Humane Letters from Kentucky Wesleyan in 1989.

And, he served as first chair of The Renaissance Group, a national council of deans and presidents charting the future of teacher education.

and baseball at Kentucky Wesleyan. The basketball teams he lettered on there (1961, '62 and '63) won 45 games while losing only 23, including a sparkling 21-4 mark his junior season (1961-62). The Panthers were runners-up in the NCAA South Region his sophomore year.

Dr. Meredith is married to the former Susan Steen of Booneville, Miss. They have two sons, Mark (18) and Matt (15).

Athletics Director Dr. Lou Marciani

Dr. Lou Marciani was named Director of Athletics at Western in April, 1991, after successful stints in athletic administration at institutions in Mississippi, Pennsylvania and Maryland.

In his two-plus years on the Hill, Marciani has been involved in the implementation of a number of improvements in athletics staffing, facilities and fund-raising.

He has improved administrative support of Hilltopper athletic teams with the addition of an athletic business manager, a coordinator of marketing and promotions, a coordinator of facilities and equipment and a full-time assistant in sports information.

And, E.A. Diddle Arena has begun a renovation process that has included painting; improved student seating; the addition of a new VIP seating section, a new weight room and a new electronic scoreboard system; and, a new Lady Topper lockerroom. At Nick Denes Field, Western is preparing for night baseball with the addition of a Triple-A calibre lighting system.

In those two years, the Athletic Department budget has increased by some 26 percent without the use of additional state dollars. The increase has been achieved with external funding through the cooperation of the Hilltopper Athletic Foundation (donor giving, a modern seating priority system, etc.) and through increased emphasis on marketing and promotions (a growth in ticket sales, corporate sponsorships, etc.).

Dr. Marciani came to the Hill from Southern Mississippi where he had been Associate Director of Athletics for two years (1989-91). Prior to that stint with the Golden Eagles, he headed up athletic programs at East Stroudsburg University in Pennsylvania (1986-89) and at Salisbury State in Maryland (1984-86).

His duties at USM included the direction of all external activities related to the program. He developed and coordinated the department's fund-raising, marketing and promotional efforts while also overseeing broadcast media coverage and public and community relations. And, he supervised the university's sports information and Eagle Club activities.

Marciani has been a member of the NCAA Communications Committee. He has also served on executive boards/committees for the Eastern Collegiate Athletic Conference (ECAC -- 1988-90) and the Pennsylvania State Athletic Conference (PSAC -- 1987-90). And, he spent 10 years (1978-88) as a member of the Sugar Bowl Committee. He was president of the National Intramural Recreational Sports Association in 1979. And, he was involved with the State Department as a sports specialist in the Persian Gulf and in the Southwest Pacific (1985). He served in a similar capacity with the Department of the Army in Germany (1976-77).

He has also been active in chamber of commerce, United Way, Big Brothers/Big Sisters, American Heart Association and youth soccer programs.

Marciani began his professional career as the soccer and wrestling coach at Gannon University in Erie, Pa. (1967-70). He also directed that school's intramural sports program. In 1970, he began a four-year stint as soccer coach and coordinator of recreational sports at the New York State University College at Buffalo.

He first went to Southern Mississippi in 1974 as that institution's director of recreational sports. After 10 years in that position, he moved on to Salisbury State as departmental chair of athletics, intramural-recreational sports and professional physical education. The Seagull athletic program consisted of 18 intercollegiate sports.

In 1986, Marciani took over as athletic director at East Stroudsburg and directed that 24-sport program for three years before returning to USM as associate athletics director in 1989.

A native of The Bronx in New York City, Marciani grew up in Tenafly, N.J., and graduated from Tenafly High School where he lettered twice in both soccer and wrestling.

He got his bachelor's degree in physical education at the University of Charleston in West Virginia in 1966. Marciani added a master's in P.E. at the University of Bridgeport in Connecticut the following year. He earned his Ed.D. in physical education with specialization in sports management at Southern Mississippi in 1984.

Marciani is married to the former Sandra Sorger of Chicago, Ill., and they have four children (three sons and a daughter) — Todd (22), a graduate student at Bowling Green State; Chris (20), a sophomore at Southern Mississippi; Jennifer (18); and Justin (11).

The Hilltopper Athletic Foundation (formerly the *Hilltopper Hundred Club*) is the official athletic booster association of Western Kentucky University.

A group of more than 1,500 individuals and businesses, the Foundation traces its roots to 1965 when former Athletic Director Ted Hornback started the Hilltopper Hundred Club in an effort to organize the outstanding community, campus and alumni support that the University's athletic programs have enjoyed through the years.

The membership of the organization is committed to furthering the tradition of excellence that Western followers have come to expect from its athletes and athletic teams.

The Foundation provides an opportunity for alumni and friends of the University to financially contribute to Hilltopper athletics and thus participate in the growth and continued success of intercollegiate sports at Western.

A new era dawned in the history of the Hilltopper Athletic Foundation in 1981 when the organization employed its first full-time executive director. Since then, the Foundation's budget has increased more than five-fold. Although that is quite an impressive record, the Foundation is continually developing new and innovative programs designed to increase the group's membership and revenues so that Western's athletic programs can experience the growth necessary to compete in today's college sports world. One step the organization has made that

Hilltopper Athletic Foundation

further illustrates its growth was the addition of an assistant director to its staff in 1987.

One of the most ambitious undertakings of the Foundation has been the initiation of a program to endow athletic scholarships to guarantee support for deserving young athletes for years to come. In less than 11 years, the program has attracted 23 endowed scholarships.

In the summer of 1987, the Foundation spearheaded a fund-raising drive to provide lighting for L.T. Smith Stadium. In approximately 90 days, \$165,000 was raised and Smith Stadium, which originally opened its doors in 1968, played host to the first night game in its history on Sept. 19, 1987, when the Hilltoppers hosted Murray State and came away with a 21-17 victory.

The Foundation is currently in stage three of a four-stage project for improvements at Nick Denes Field, the home of Hilltopper baseball. A lighting system, equal in quality to those found in Triple-A ballparks, is being installed this fall. And, now plans are being finalized for stage four, a modern press box and new dugouts. And, during the 1992-93 fiscal year, the Foundation has contributed to major improvements in Diddle Arena -- an electronic scoreboard system, as well as a new weight room, Lady Topper lockerroom and theatre-style VIP seating in the Arena.

The Hilltopper Athletic Foundation operates under the direction of an elected Board of Directors who set policy for the organization.

The Hilltopper Radio Network

The Hilltopper Radio Network was awarded the exclusive radio rights to Western Kentucky University football and men's basketball broadcasts in 1982. That contract, the first of its kind in the history of WKU athletics, went into effect at the beginning of the 1982-83 basketball season and continued through the 1984-85 school year. Then, the contract was renewed for a three-year period (through 1987-88) and also included right for women's basketball and selected baseball games. The Network is now in its fifth exclusive rights contract with the University.

A partnership of area businessmen Hank Brosche and Wes Strader, the Hilltopper Net-

work will originate over radio station WBLG-FM in Bowling Green.

At press time, the Network for the 1992 football season was expected to include the following cities and affiliates:

Franklin -- WFKN-AM (1220)
Glasgow -- WCLU-AM (1490)
Henderson -- WSON-AM (860)
Hodgenville -- WXAM-AM (1430)
Morgantown -- WLBO-AM (1570)
Russellville -- WRUS-AM (610)

Strader, a veteran of 28 years of play-by-play experience at Hilltopper athletic events, will continue to call the action, assisted by Todd Hamilton and Bob White.

L.T. Smith Stadium / Jimmy Feix Field

The 1993 season will be Western's 26th in L.T. Smith Stadium, one of the most beautiful and efficient football facilities to be found on any college campus. The Academic-Athletic Building No. 2 and L.T. Smith Stadium/Jimmy Feix Field is a vital part of Western Kentucky University's athletics complex.

Smith Stadium entered a new era in its storied history on Sept. 19, 1987, when the Hilltoppers hosted Murray State in the first-ever night game in the facility, a 21-17 WKU victory. The new lighting system, costing more than \$100,000, went into use that night after a successful fund-raising campaign conducted by the Hilltopper Athletic Foundation that summer resulted in the private funding needed to light the stadium.

The stadium and its accompanying facilities sit in the midst of the WKU athletics complex, which also includes the Academic-Athletic Building No. 1 and its 11,300-seat E.A. Diddle Arena; an all-weather track; a lighted practice field, intramurals and physical education activities; lighted tennis courts; and Nick Denes Field, the 750-seat home of the baseball Hilltoppers. All are located in an area of the campus between Russellville Road and University Boulevard.

This gives Western both a coordinated series of athletic facilities and modern, well-equipped teaching areas for the Department of Physical Education and Recreation.

In addition to the stadium, the Academic-Athletic Building No. 2 contains classrooms, faculty offices and complete lockerroom, weight training and sports medicine facilities for football and other sports.

The stadium is named for the late L.T. Smith, who came to Western in 1920 to establish the industrial arts curriculum. He headed that department until 1957 when he took over as Physical Plant Administrator. In 1963 he was named Coordinator of New Construction, a post he held until he retired in 1965.

In addition to his other duties, Smith coached Western football in 1920 and 1921 and the basketball team in 1921-22. He was instrumental in bringing Coach E.A. Diddle, a member of the Naismith and Helms Foundation Basketball Halls of Fame, to Western to take over the athletic coaching duties in 1922.

Smith, a member of the Ohio Valley Conference Hall of Fame, also served as chairman of the school's Athletic Committee almost continuously from the time he helped form it in 1922 until he retired.

And, the Smith Stadium field was named in honor of Jimmy Feix at the beginning of the 1991 football season.

Feix was Western's first gridiron All-American as a quarterback in 1952. Then, after a pro football career cut short before it started due to injury and a four-year stint in the military, Feix returned to Western as an assistant football coach in 1957. He took over the head coaching duties in 1968 and went on to lead Hilltopper football to some of its greatest seasons ever, concluding his illustrious 16-year stint as head coach with a school record 106 wins. He then spent two years in the Office of Alumni Affairs before returning to Hilltopper sports as Director of Athletics in 1986. He retired in 1991 and now resides in Bowling Green.

The stadium had an original seating capacity of 19,250. However, adjustments to provide a section of more comfortable seating in the upper deck and the elimination of ground level seating in 1989 reduced the size of the stadium to its current 17,500 seats.

Smith Stadium has hosted a variety of activities through the years, including NCAA playoffs, Kentucky high school championship playoffs, state band festivals, concerts and University commencement exercises.

Smith Stadium's Largest Crowds

Since L.T. Smith Stadium opened in 1968, almost 1.6 million fans have watched the Hilltoppers perform at home, where Western has won 82 contests, lost only 41 and tied four — a .661 winning percentage! The Stadium topped the one million mark in attendance in its 14th year of existence when the 11,500 fans who were on hand to see Tennessee Tech outscore the Hilltoppers 14-3 on Oct. 17, 1981, pushed the facility's all-time attendance to 1,001,375! Head Coach Jack Harbaugh

Jack Harbaugh took over the head coaching reins at Western in February, 1989, after two seasons as the assistant head coach at the University of Pittsburgh. He promptly led his first Hilltopper team to a 6-5-0 mark against one of the toughest schedules in all of I-AA football.

That 1989 Topper team narrowly missed a berth in the NCAA playoffs and saw five of ten I-AA teams Western faced advance into the playoff field.

Two of his charges in his first year at Western were drafted by National Football League teams — strong safety Jerome Martin (Green Bay in the 10th round) and defensive lineman Webbie Burnett (New Orleans in the 11th). And, three other '89 Toppers signed with the pros as free agents — receiver Anthony Green (Cincinnati), defensive end Xavier Jordan (Seattle) and free safety Jonathan Watts (Seattle).

Then, the Hilltoppers fell on hard times against two of the toughest schedules in the I-AA game in '90 and '91 and dropped to 2-8-0 and 3-8-0. However, defensive specialist Eddie Godfrey drew considerable attention from the pro scouts and signed with Tampa Bay in the NFL in 1991 and tight end Milton Biggins was drafted by the Miami Dolphins.

Last fall, his Topper option offense matured and developed into the nation's number two rushing unit. That team rallied to win three of its last five contests to finish 4-6-0.

The 54-year-old Harbaugh (HAR-baw), a veteran of 31 years in the coaching ranks, 26 of those at the college level, previously spent five seasons as head coach at Western Michigan. And, he has served as an assistant at Michigan, Iowa, Stanford, Bowling Green State and Morehead State.

In his first year at Pitt (1987), he helped guide the Panthers to an 8-4-0 mark and an

appearance in the Bluebonnet Bowl. One of his proteges that fall, All-America linebacker Zeke Gadsen, was a finalist for the Butkus Award and was drafted by the Buffalo Bills of the NFL and later played in the Canadian Football League. Pitt was 14-9-0 in his two years there.

Harbaugh was head coach at Western Michigan from 1982 through 1986. His best season with the Broncos was '82 when he guided his charges to a 7-2-2 mark and second place in the Mid-American Conference. Overall, his five teams there were 25-27-3.

Prior to that stint at WMU, he put in two seasons as defensive coordinator at Stanford.

Harbaugh served as defensive backfield coach for Bo Schembechler at Michigan for seven years (1973-79) and was a part of Wolverine teams that won five Big Ten championships (1973, 1976, 1977, 1978 and 1979). Those teams played in the 1976 Orange Bowl and made three trips to the Rose Bowl ('77, '78 and '79). The seven Michigan teams he worked with were an overall 66-13-3 (.823).

A number of his defensive backs at Michigan went on to enjoy successful careers in professional football. Among those are: David Brown, an All-America free safety (Green Bay); Michael Hardin, another free safety (Denver); Dwight Hicks, also a free safety, who played for San Francisco and was in the 1982 Super Bowl with the 49ers; and Keith Bostic, a strong safety (Houston) and Pro Bowl athlete.

Harbaugh coached the defensive backs at Iowa in 1971 and 1972 and among his proteges there was safety Craig Clemmons, a first round draft choice of the Chicago Bears in 1972.

Coach Harbaugh put in four seasons (1968-71) as an aide in the defensive backfield on Coach Don Nehlen's staff at his alma mater, Bowling Green State. Nehlen, now at West Virginia, was the American Football Coaches Association's 1988 College Coach-of-the-Year after guiding the Mountaineers to an 11-1-0 mark.

His first assignment in the college ranks was at Morehead State, where he spent one season (1967). He made his first visit to the WKU

campus that fall when the Eagles were the guests for the Hilltoppers' Homecoming game — a 30-19 Western victory.

Prior to getting into the college game, Harbaugh spent a year (1966) as head coach at Xenia (Ohio) High School where his team won eight of nine games and took championship honors in the Western Ohio League. For his efforts, he was named conference Coach-of-the-Year.

He was also head coach at Eaton (Ohio) High (1964-65) and he was an assistant at Perryburg (Ohio) High for two years (1962-63). He began his coaching career as basketball and track coach at Canton (Ohio) Elementary in 1961.

A native of Crestline, Ohio, he is a graduate of Crestline High (1957) where he was a four-year letterman and an All-State quarterback as a senior. CHS won conference championships in both his junior and senior seasons. And, he also lettered twice in basketball and four times in baseball, where he was an All-State shortstop.

Harbaugh played his college football at Bowling Green State, lettering three times as a defensive back and quarterback. The Falcons went 24-3-2 in his three varsity seasons and were small college national champions (9-0-0) his junior year. He was an All-Mid-America Conference selection at free safety as a senior. He also found time to letter twice in baseball at Bowling Green.

In 1961, he was drafted by the Buffalo Bills of the American Football League.

Harbaugh holds a Bachelor of Science degree (1961) in physical education and a Master of Education in Health and Physical Education (1964) from Bowling Green State.

He and his wife, Jackie, also a Bowling Green alumnus, have three children, John, an assistant football coach at the University of Cincinnati; Jim, a quarterback with the Chicago Bears of the NFL; and Joani, a 1990 graduate of the University of Pittsburgh, who is an elementary school teacher in Bowling Green and the bride of WKU basketball Assistant Coach Tom Crean.

**Offensive
Coordinator
& Line Coach**

Rick Denstorff returned to his alma mater in 1989 to join Jack Harbaugh's staff at WKU. He came back to the Hill from Indiana (Pa.) University, where he helped lead the Indians to an 8-3-0 record and a berth in the Division III national championship playoffs. His defensive line there ranked second in the nation against the rush and third in the country in overall defense.

Prior to going to IUP, he spent two seasons (1986-87) as a graduate assistant coach at Pittsburgh, where he worked with Coach Harbaugh during the '87 campaign. The 1987 Pitt eleven played in the last Bluebonnet Bowl.

A three-year starter (1983-85) with the Hilltoppers (at offensive guard and center), he captained the '85 Toppers and was the recipient of WKU's coveted Al Almond Memorial Award as a senior. He earned four letters at WKU.

Denstorff has been associated with the last three Hilltopper head coaches. He signed with Western in 1982 and played his first two seasons for former Coach Jimmy Feix. Then, after Feix' retirement in 1983, Denstorff toiled in the offensive line for Coach Dave Roberts. Now, he's on the sidelines as an assistant for Jack Harbaugh.

He was a three-sport letterman at South Spencer High School in Rockport, Ind., earning All-State honors twice ('80-81) in football as a linebacker and offensive lineman and once ('81) as a catcher in baseball. He also earned two letters in basketball.

A 1982 South Spencer graduate, he played his prep football for his father, Jerry, one of Indiana's most respected high school grid coaches and the 1988 Southern Indiana Coach-of-the-Year.

Denstorff holds a bachelor's degree in physical education from Western (1986).

& Backs Coach**

Doug Mallory joined the Hilltopper coaching staff in 1990 after spending a year as an assistant coach at the United States Military Academy.

Mallory, the son of University of Indiana head coach Bill Mallory, helped guide West Point to a 6-5-0 mark last fall after spending the 1988 campaign as a graduate assistant coach on his father's staff at IU. That Hoosier team went 8-3-1 and beat South Carolina in the Liberty Bowl.

He played college football at Michigan where he took over as a starter at strong safety midway in his freshman year. The four Wolverine teams he played for went 35-13-1 (72.4 percent) and took Big 10 co-championship honors in 1986. He played in four major bowl games and helped Michigan post wins over Nebraska (27-23 in the 1985 Fiesta Bowl) and Alabama (28-24 in the 1987 Hall of Fame Bowl) in post-season play. The 1985 Michigan eleven finished the year ranked number two in the nation.

He served as co-captain of the Wolverines his senior season (1987) when he was an honorable mention All-American and a second-team All-Big 10 pick. He also won Michigan's Derek Howard Award for hustle as a senior.

A native of Bowling Green, Ohio, he played his prep football at DeKalb (Ill.) High School, where he lettered three years as a defensive back and running back. He was the Up-State Eight Conference Defensive Player-of-the-Year and an All-State selection as a senior in 1982.

A 1988 graduate of Michigan, he holds a bachelor of arts degree in sports management and communications.

From a football family, Mallory's father was also head coach at Miami, Ohio (1969-73), Colorado (1974-79) and Northern Illinois (1980-83) before going to IU in 1984. His older brother Mike, now an assistant coach at Kent State, was an All-America linebacker at Michigan (1983-86) and his younger brother Curt was a senior linebacker at Michigan last fall.

**Lee
Murray**

Running Backs

Lee Murray returned to the Hill to join Coach Jack Harbaugh's 1992 gridiron staff last season.

Murray originally joined the WKU football staff in 1969 after three years as head coach at Louisville Shawnee High School. He spent the first two years at Western working with the Topper receiver corps. Then, he crossed the line to serve as defensive coordinator and secondary coach, a position he held until he retired from the coaching ranks after the 1977 campaign. His 1971 defensive unit led the nation in pass defense.

The nine Hilltopper teams he worked ('69-'77) with were 64-28-4 (68.8 percent), won four Ohio Valley Conference championships (1970, 1971, 1973 and 1975) and twice advanced to the NCAA Division II national championship game, finishing as the runner-up on both times.

Among his proteges were Western All-America defensive backs Virgil Livers (1974), who went on to a successful career (1975-81) with Chicago of the NFL, and Mike McCoy (1973), a Houston Oilers draftee. He also coached Jay Davis, the most productive receiver in WKU history, in '69 and '70.

After leaving coaching, Murray remained at Western as supervisor of the Downing University Center until his retirement in 1991. He also spent several years as the football analyst on the Hilltopper Radio Network.

As a student at Western, Murray was a standout end on the 1961 and '62 Hilltopper teams that won 11 of 17 games (64.7%). He was named the team's Most Valuable Player both years and he captained the '62 Topper eleven, earning the team's Outstanding Defensive Player Award.

A native of Russellville, Ala., he has two daughters, Lee Anne, a former WKU tennis player and now an attorney in Nashville; and Susan, a veterinary medicine student at Auburn.

**Darren
Twombly**

Defensive Line

Darren Twombly joined the Hilltopper staff in July after spending the previous two seasons as a graduate assistant coach at his alma mater, Boston College.

In a rebuilding effort in 1991, BC's Eagles went 3-8-0. However, things took a turn for the better last fall and Boston College rolled to an 8-2-1 mark before coming up short versus Tennessee in the Hall of Fame Bowl. Twombly worked with the Eagle defensive line in '91 and last season his secondary ranked among the nation's leaders in pass defense.

Prior to returning to Boston College, he spent two years (1989-90) as an assistant at Davidson. His best team there was the Wildcats' 1990 outfit that went an impressive 7-3-0. During his tenure at Davidson, he worked with the defensive line while also directing the team's strength and conditioning program.

Twombly first got into coaching as an assistant at Peabody (Mass.) High School. In his lone season there (1988), the Tanners went 8-2-0 while he worked with the linemen.

He earned four letters as an offensive lineman at Boston College, taking over as a starter midway through his sophomore season. The '84 Eagles went 10-2-0, including a victory over Georgia in the 1985 Cotton Bowl. And, as a senior, he helped BC go 9-3-0, including a triumph over Houston in the Hall of Fame Bowl.

Twombly signed as a free agent with the New England Patriots in 1987 and appeared in three games. The following year, he was a free agent signee with Green Bay.

He was a three-sport (football, basketball and baseball) star as a prepster at Manchester (Mass.) High School, earning All-State honors twice as a lineman while helping his Hornets win back-to-back Class 5 state championships (MHS was 10-1-0 in 1981 and 11-0-0 in '82).

The Hilltopper Nickname

The evolution of the nickname "Hilltoppers" is obvious to those who have seen the Western Kentucky University campus.

The operations of Western Kentucky State Normal School were moved from the site of its forerunner, Southern Normal School, to a commanding hill in the southwestern portion of Bowling Green on February 4, 1911. The move was completed as the entire student body marched to the new site, carrying various articles of school equipment.

Since the summit of "the Hill" rises 232 feet above nearby Barren River and the comparatively level plain that surrounds the Hill, it was only natural that the young athletes who represented the institution centered on the crest should come to be known as "Hilltoppers."

Still, the name did not come into use until the 1925-26 school year. Prior to that time, Western's athletic teams were commonly referred to as "Pedagogues" or "Teachers."

"Meco" moves to the defensive side of scrimmage this fall to help take full advantage of his considerable athletic ability appeared to have won his battle with teammate Eddie Thompson for the nod at quarterback as the '92 season opened but, with the Toppers struggling at the midway point last fall, the coaching staff elected to give former starter Eddie Thompson a start and, suddenly, "Meco" was on the sidelines now, he has adapted to his new environment and figures to be the number one backup at one corner this fall after red-shirting his first year on the Hill, he and Thompson battled it out in spring practice 1991 for the starting berth in the option offense Thompson got the nod, but Malcome hung in there and played injury-tag with Thompson throughout the '91 season after an injury late in the Murray State game knocked Thompson out of action, Malcome proved he could handle the job, leading his teammates to a big 48-21 victory over Morehead State — he carried the ball 12 times for 131 yards (including a 70-yarder for a score) and two TDs in that one but, the following week (against Middle Tennessee), he turned an ankle that was to hobble him the remainder of the season overall, he appeared in just three games (Murray State, Middle Tennessee and Indiana State — all as the starter at quarterback), but his 52.7 rushing yards per game still ranked third among all Hilltoppers last fall, he posted a 100-yard game in a win over Indiana State -- 21 carries for 114 yards and a pair of TDs he was also impressive at Western Illinois, where he completed seven of 11 passes for 129 yards and a score runs the 40 in a swift 4.58 and is also a hard worker in the weight room came to the Hill from Cedar Grove High School in suburban Atlanta, where he was an All-State and All-Conference performer on the gridiron, averaging two touchdowns a game set his school's record for yards rushing by a quarterback was also his team's MVP and an All-Conference pick in basketball, averaging 23 points a game earned All-Conference honors in baseball as well, hitting .340 and, he was named his track team's top sprinter he was active in the student council and he was a class officer and a member of the Beta Club.

8 EDDIE THOMPSON

5-8, 170, Sr., QB, Ft. Knox, Ky.

A solid All-America candidate in '93, he ranks as the nation's premier running quarterback 1992 -- "Fast Eddie" lost his job as the starting quarterback in the pre-season last year as the Toppers tried to take advantage of his varied athletic talents, and those of fellow QB Meco Malcome Thompson saw limited action as a running back, a wideout, a return specialist and the backup quarterback in the first five games of the year before returning to the starting lineup at QB against Central Florida in game six -- a week later he was named the national college Player-of-the-Week by a number of publications, including *Sports Illustrated*! he carried the ball 16 times for a school quarterback record 205 yards and two TDs in the Toppers' 50-36 win over nationally ranked Central Florida in his first outing then, he broke an NCAA record for rushing yards by a QB (I-AA and I-A) when he racked up 309 yards on the ground, scoring four times (tying the school record for TDs in a game) along the way, in WKU's thrilling 41-39 victory over Southern Illinois (Oct. 29), earning him the national awards that 309-yard evening was not only a WKU record for a QB, but was the single highest yardage figure ever for a Western ball carrier he guided the Toppers to three wins in their last five

1993 NCAA I-AA Football

In 1993, NCAA I-AA football will again feature 16 teams in its playoffs to determine a national champion. However, the membership at the I-AA level increases dramatically -- from the 88 schools that competed last year to a hefty 115 institutions.

The 1993 championship playoffs get underway with first-round games Nov. 27. The quarter-finals and semi-finals will be Dec. 4 and Dec. 11, respectively. And, the national championship games is scheduled for Dec. 18 at Marshall University (the defending I-AA champ) in Huntington, W. Va.

Six conferences -- Big Sky, Gateway, Ohio Valley, Southern, Southland and Yankee -- receive automatic bids to the playoffs. The remaining teams in the field will be selected on an at-large basis with a minimum of two of those teams coming from outside the six leagues with automatic bids. However, members of the Ivy and Patriot Leagues do not take part in the I-AA championship playoffs.

All I-AA teams will again be assigned to one of four regions -- East, Central, South and West. However, with the dramatic increase in membership, regional assignments for 1993 had not been determined as of press time.

Western's Red Towel

COACH E.A. DIDDLE

Western's unique "Red Towel" originated with the late E.A. Diddle, one of the most successful coaches in history and a member of the Naismith and Helms Athletic Foundation Halls of Fame.

Through 1,062 Hilltopper basketball games — 759 of them wins, the fourth highest total ever — Diddle clutched a red towel. He chewed on it, threw it, cried on it, waved it at fans and used it to signal his players.

Though Mr. Diddle has been identified primarily with Topper basketball, he won his first game at Western on the gridiron — 6-0 over Louisville on Sept. 30, 1922. He coached football from 1922 through 1928, winning at a 61 percent rate (38-24-2) and running up a victory total that was unsurpassed by his successors on the gridiron until 1954. His 1928 squad, one of the finest in Western annals, marched to the state championship with an 8-1-0 record, outscoring the opposition 171-7.

The Red Towel became synonymous with Ed Diddle and he became synonymous with Western's outstanding athletic heritage. And, now fans at Hilltopper sporting events wave red towels as they cheer for the "Big Red."

The Red Belt

In the spirit of some of college football's greatest rivalries, Western Kentucky and Murray State have a traditional gridiron trophy battle of their own.

"The Red Belt" originated in 1978 when Hilltopper athletic trainer Bill Edwards attended a district trainers' meeting with Murray State trainer Tom Simmons. As Edwards tells the story, Simmons forgot to bring a belt along and borrowed a red one from Edwards. After the meeting, when Edwards asked about his belt, Simmons responded that Western would have to beat Murray State in football to get it back!

Simmons then had the belt mounted on a large plaque, complete with brass plates to keep Western-Murray scores etched in history for years to come.

When the '78 football season rolled around that fall, Western went into Racer territory and came away with a 14-6 victory -- and "The Red Belt!" MSU reclaimed it in 1979 and it has bounced back and forth ever since.

The trophy has resided in the WKU Training Room the past two seasons. After the two old rivals did not meet in 1990, Western hosted the Racers in 1991 and

took "The Belt" with a 14-0 victory. Then, last fall, the two schools squared off at Murray and the Hilltoppers emerged a 47-15 winner to retain possession of "The Belt."

Overall, the Hilltoppers have won six of the 13 battles for "The Red Belt," and there was one tie (10-10 in 1986).

Here's a rundown of the results of the Western-Murray series since "The Red Belt" came on the scene in 1978:

1978 -- Western 14, Murray St. 6
1979 -- Murray St. 30, Western 20*
1980 -- Murray St. 49, Western 0
1981 -- Murray St. 38, Western 6*

Feast and Famine

Through 74 seasons, Hilltopper gridders have posted a winning won-lost mark on 46 occasions, while winding up on the losing side only 24 times. Four times, Western footballers broke even at .500.

At one point, the Toppers waltzed through 14 straight winning campaigns (1927-40). Under the guidance of six different coaches, those 14 Western teams were 96-29-5 -- a .758 winning percentage.

During those 74 campaigns, the Hilltopper defense held the opposition scoreless an impressive 152 times -- an average of 2.1 shutouts per season.

However, seven of those goose-egg games were scoreless ties. And, on the negative side, the WKU offense has fallen short of the goal line on 67 occasions.

All-OVC Selections

During Western's 34-year association with the Ohio Valley Conference (from its founding in 1948 through May, 1982), Hilltopper athletes virtually dominated the OVC's first-team all-star unit with a total of 117 picks. Over that period of time only one other league school (Eastern Kentucky) could boast of more than 100 first-team selections (111). Murray State had 85 such honorees, Tennessee Tech 84, Middle Tennessee 79, Morehead State 58, Austin Peay 43, East

Tennessee 37, Evansville five, Louisville 3, Marshall two, Akron two and Youngstown State two. The most first-team picks by any school in single season was nine. Tennessee Tech was the first to put that number on the team in 1972. The Hilltoppers followed immediately with nine in 1973 and again tied that record in 1980. A complete list of Western's first-team All-OVC selections follows.

* Hilltopper athletes who were named to the All-Time All-OVC Football Team on the occasion of the OVC's 40th Anniversary Celebration, June 3, 1988. Eastern Kentucky led all schools with 12 athletes named to the OVC's All-Time Team, followed by Western and Middle Tennessee (9 each), Murray State (8), Tennessee Tech (6), Austin Peay (5), Morehead State (4), Akron (1) and East Tennessee (1).

Dual 100-Yard Performances

On just 11 occasions on record, two Western Kentucky runners have teamed up to rush for more than 100 yards **each** in a single game! The first occured in 1968 and then, after a 10-year break (1980-90), Hilltopper backs have notched double 100s a whopping six times in the past three seasons as the Topper option offense has developed in one of the nation's top I-AA ground offenses. That recent streak was highlighted by the NCAA I-AA record 471 yards put in the books by Eddie Thompson (a national quarterback record 309) and fullback Dion Bryant (a career-high 162) against Southern Illinois on Oct. 29 last fall. Thompson, who returns this season, and Echols, who completed his eligibility last fall, have each been involved in "Dual 100s" a school record four times. Here, listed in chronological order, is a rundown of those impressive multiple 100-yard games in the WKU record books:
